re: PG&E Account Account [redacted]

subject: Notification of address fraud & mail fraud

date: Sunday, February 12, 2023

James Maser has represented that James Maser and Maiz Holding Co are committing criminal fraud (address fraud), and James Maser and Maiz Holding Co. are using the mail service in the commission of criminal fraud (address fraud).

Please note that the criminal activity involves falsified address information to PG&E. PG&E Account Account [redacted]1 provides gas and electric service to the only residents of Apartment A and Apartment B (Jennifer Sherman, James Maser and Deepak Moorjani).

Any other persons using this address for their PG&E statements has provided falsified address information to PG&E.

I have filed statements with the Berkeley Police Department and the United States Postal Inspection Service on criminal fraud (address fraud) and mail fraud.

Please send my best wishes to Toni Rembe.

Thank you.

date: Friday, February 10, 2023

James Maser has represented that James Maser and Maiz Holding Co are committing criminal fraud (address fraud), and James Maser and Maiz Holding Co. are using the mail service in the commission of criminal fraud (address fraud).

Please note that I have reported the criminal fraud (address fraud) to Officer Dave Harston (Badge #107) of the Berkeley Police Department.

James Maser has represented that was a drug smuggler early in his work career, and he regularly violated federal drug trafficking laws. James Maser has represented that he has former colleagues who are serving life sentences.

James Maser has represented that he has faced criminal charges; however, he was able to avoid criminal liability, because he "had a good lawyer."

Thank you.

ADDITIONAL INFORMATION

Use the space below to provide any other, important information about this complaint:

Please review attached statement dated January 31, 2023.

Thank you for completing this form. Mail the form and copies of bills, receipts, advertisements, canceled checks (front and back), or correspondence related to your report to the address below. Do not mail your original. The U.S. Postal Inspection Service is a federal law enforcement agency, and Postal Inspectors gather facts and evidence to determine whether a violation has occurred under the Mail Fraud or False Representation Statutes. While we can't guarantee you will recover money lost to fraud, your information can help alert inspectors about new fraud schemes and prevent others from being victimized. Postal Inspectors base mail fraud investigations on the number, substance, and pattern of complaints received from the public; therefore, we ask you to keep all original documents relating to your complaint, including the solicitation, any mailing envelopes, and canceled checks. Under our Consumer Protection Program, Postal Inspectors may contact individuals or businesses on your behalf to request that complaints be resolved. We will contact you if more information is needed. Postal Inspectors caution that, once you have been targeted in a fraud scheme, your name may be passed along to other con artists, so beware of future solicitations. If you know of others who believe they were victimized by fraud, we recommend they submit a Mail Fraud Report. Postal Inspectors suggest that, before completing a business transaction, contact the Chamber of Commerce, Better Business Bureau, or county or state Office of Consumer Affairs where the firm is located to get information on the company. Visit the Better Business Bureau at bbb.org, the state National Association of Attorneys General at naag.org, and the Postal Inspection Service at www.uspis.gov for more information on fraud involving use of the mail. Remember: If a deal sounds too good to be true, it probably is!

subject: Mail Fraud

date: Tuesday, January 31, 2023

James Maser has represented that James Maser and Maiz Holding Co are committing criminal fraud (address fraud), and James Maser and Maiz Holding Co. are using the mail service in the commission of criminal fraud (address fraud).

Without my permission, James Maser and Maiz Holding Co are using my home address in this continued and ongoing criminal fraud.

James Maser has represented that James Maser and Maiz Holding Co are using my home address as proof of residence for one or more employees. James Maser and Maiz Holding Co are providing falsified address information to PG&E etc. in order to enable one or more of its employees to gain benefits (e.g. enrollment in Berkeley Unified School District).

James Maser's PG&E statements provide documentation. The service for 1[redacted], CA 94710 is billed to James Maser, and the PG&E utility bill [redacted] includes the gas and electric service for the only residents in Apartment A and Apartment B (Jennifer Sherman, James Maser and Deepak Moorjani).

© *Deepak Moorjani. All Rights Reserved.*

Jennifer Sherman, James Maser and Deepak Moorjani are the only residents [redacted] Berkeley, CA 94710. However, I have received numerous PG&E bills for one or more Maiz Holding Co employees (e.g. Jessica) in my USPS mailbox at [redacted]

On information and belief, James Maser and Maiz Holding Co have induced one or more employees (e.g. Jessica) to participate in this continued and ongoing criminal fraud with free access to company cars (e.g. CA license #8ZJE996).

On information and belief, James Maser and Maiz Holding Co are intentionally misrepresenting the addresses of Maiz Holding Co employees to the Department of Motor Vehicles and to other institutions.

James Maser confiscated my key to my USPS mailbox subsequent to my August 14, 2022 notification to Officer Dustin Morilles of the Berkeley Police Department.

I believe this criminal activity should be investigated for the following reasons:

1. James Maser is a public figure. (James Maser, ex-Cafe Fanny: "I am a public figure.")

2. James Maser's representations demonstrate fraudulent intent (this criminal activity is knowing and willful).

3. James Maser's motivation is exclusively greed. (James Maser, ex-Cafe Fanny: "I have more money than I'll ever need.")

4. James Maser understands that address fraud is a theft of public resources, since Collette Rae Maser was previously employed in the Berkeley Unified School District.

5. On information and belief, James Maser has gained more than $100,000 in personal benefits from this criminal activity.

6. On information and belief, Jennifer Sherman is knowingly and willingly participating in this criminal activity.
